Betrayal In The City By

Betrayal in the city by Francis Imbuga is a play that tells us what happened and what is happening in most third world countries. Politics is the main theme where after African countries getting independence replace the leadership with African leaders who are dictatorial and careless in the way they lead.

Betrayal in the City by Francis Imbuga

Betrayal in the City is a play by Francis Imbuga. First published in 1976, the play's powerful indictments of government corruption in post-colonial Africa, the cost to voiceless citizens, and the numbing effects of daily violence make it both an important work of art and an act of extreme courage by its author. There is one complicated question at the heart of the play: what chance do the citizens of a country have if the most powerful people in government are monsters?
