The Black Death of 1348-50 devastated

Download Free After The Plague And Other Stories

Europe. With mortality estimates ranging from thirty to sixty percent of the population, it was arguably the most significant event of the fourteenth century. Nonetheless, its force varied across the continent, and so did the ways people responded to it. Surprisingly, there is little Jewish writing extant that directly addresses

Download Free After The Plague And Other Stories

the impact of the plague, or even of the violence that sometimes accompanied it. This absence is particularly notable for Provence and the Iberian Peninsula, despite rich sources on Jewish life throughout the century. In *After the Black Death*, Susan L. Einbinder uncovers Jewish responses to plague and violence in fourteenth-century

Download Free After The Plague And Other Stories

Provence and Iberia. Einbinder's original research reveals a wide, heterogeneous series of Jewish literary responses to the plague, including Sephardic liturgical poetry; a medical tractate written by the Jewish physician Abraham Caslari; epitaphs inscribed on the tombstones of twenty-eight Jewish plague victims once buried in

Download Free After The Plague And Other Stories

Toledo; and a heretofore unstudied liturgical lament written by Moses Nathan, a survivor of an anti-Jewish massacre that occurred in Tàrraga, Catalonia, in 1348. Through elegant translations and masterful readings, *After the Black Death* exposes the great diversity in Jewish experiences of the plague, shaped as they were by convention,

Download Free After The Plague And Other Stories

geography, epidemiology, and politics.

Most critically, Einbinder traces the continuity of faith, language, and meaning through the years of the plague and its aftermath. Both before and after the Black Death, Jewish texts that deal with tragedy privilege the communal over the personal and affirm resilience over victimhood.

Download Free After The Plague And Other Stories

Combined with archival and archaeological testimony, these texts ask us to think deeply about the men and women, sometimes perpetrators as well as victims, who confronted the Black Death. As devastating as the Black Death was, it did not shatter the modes of expression and explanation of those who survived it—a discovery that
