This work takes a real-world, single focus company approach in every chapter. The decision-making focus shows the relevance of financial accounting regardless of whether the student has chosen to major in accounting.

For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly under the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth: o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future. o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make...it's what you keep." o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can. o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step. o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS, 10E makes it easy to demonstrate that accounting is a powerful tool for business decision-making by going beyond debits and credits and keeping students focused on the big picture. For example, journal entries require students to demonstrate the balance sheet and income statement impact of transactions, helping students see how business events ultimately impact the financial statements. In addition to exposing students to annual reports of highly recognizable companies such as Nike, Porter's exclusive Ratio Decision-Model provides students with a framework for reading and interpreting financial statements to make decisions. The focus on financial statements and decision-making carries through to the end-of-chapter with a suite of case materials that have students reading and interpreting financial statements. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This set provides the consumable Student Edition, Volume 2, which contains everything students need to build conceptual understanding, application, and procedural skill and fluency with math content organized to address CCSS. Students engage in learning with write-in text on vocabulary support and homework pages, and real-world problem-solving investigations.

Using a hands-on approach, Computer Accounting with QuickBooks 2021 integrates understanding accounting with mastery of QuickBooks software. The text provides proven instructional techniques throughout the new edition to make students mastery of QuickBooks as effortless as possible. A free one-year license to the QuickBooks software is available to every student. Connect is available for Computer Accounting with QuickBooks 2021. Connect saves you time by making grading quick and easy. The in-chapter activities, end of chapter exercises and projects found in the text are auto-graded after students enter the answers from their work in QuickBooks into Connect. Doing so allows instructors and students to benefit from Insight, the analytic tools within Connect that provides at-a-glance information regarding class performance and assignment effectiveness. David Spiceland, Wayne Thomas and Don Herrmann have developed a unique text based on over 50 collective years of experience in the classroom. They've brought together best practices like highlighting Common Mistakes, offering frequent Let's Review exercises, integrating the course with a running Continuing Problem, demonstrating the relevance of the course to non-majors with a Career Corner, and communicating it all in a student-friendly Conversational Writing Style. The new 2nd edition of Financial Accounting, Spiceland, Thomas, Herrmann, has been developed with feedback from over 330 reviewers and focus group participants from across the country. The following list of changes and improvements is a testament to the many hours that reviewers spent analyzing the 1st edition, helping make Financial Accounting, 2nd edition, the best book of its kind.
