The term battleaxe has been used since 1910 when it implied a closely defined type: elderly, resentful, vociferous and certainly no beauty. Here Christine Hamilton presents a banquet of belligerent British belles who, for one reason or another, exude the indomitable spirit that is the hallmark of the battleaxe, and yet who defy that description. Her portraits are admiring and affectionate - a celebration of that special quality that stands certain women apart. The star-studded cast includes Dame Barbara Cartland who when asked if she thought class barriers had broken down, retorted 'Of course they have. If they hadn't, someone like you wouldn't have been interviewing someone like me'; Barbara Woodhouse, famous for her strict approach to both dogs and owners, who once said of the royal Corgis 'I have seen them on a station platform exhibiting dreadful impatience'; no-nonsense Claire Raynor who said of herself 'I'm five foot nine and built like a bus. What can I do about it? Bigger all.' and Dame Irene Ward who on a parliamentary delegation to Nazi Germany in 1936 is said to have exclaimed in stentorian tones to Hitler 'What absolute bosh you are talking '

Starman is the third title in Sara Douglass's epic fantasy Wayfarer Redemption series. A sprawling tale of love and magic, enormous battles and true monsters Axis is the StarMan of prophecy and legend, destined to lead the three races of his world to unite as one people. The people of his world all know the Prophecy of the Destroyer, despite the failed attempts of the Seneschal to suppress it in the name of the god Artor the Ploughman, and it predicts and dictates Axis's path through war and destruction to the creation of Tencendor. The Prophecy foretold that Axis would defeat his half-brother and lay claim to the land that Tencendor will be created upon. The Prophecy told of the traitor in Axis's camp-Faraday's champion, Timozel. And the Prophecy foretold many a choice that Axis must make in order to fulfill his destiny . . . but neglected to mention the choice between the beautiful and courageous Faraday, his late half-brother's wife, and the feisty and hauntingly enchanting Azhure. To Faraday, he had pledged his love and a place by his side as ruler of Tencendor; to Azhure, he had given his children, his time, and his devotion. His love for both women is what the last twist of the Prophecy relies on. While Azhure explores her newfound powers as an Icarii Enchantress, and Faraday replants the ancient forests of the Mother, the evil Gorgrael is plotting Axis's downfall, invading the sky with ice and terror and the flesh-hungry Gryphons. His most daring move is to follow prophecy, to taunt Axis with the pain of his beloved. But which beloved woman will Gorgrael choose . . . and will she be the one whose death will distract Axis from saving the world? Ancient Greece: A place where the gods hold mortal life cheap, mere playthings to amuse, delight, and abuse at their will. But those puny mortals are not wholly devoid of power and at the core of their fabulous city-states lies the Labyrinth, where they can shape the powers of the heavens to their own design. When Theseus entered the Labyrinth and came away with the prize of freedom and his beloved Adrienne, Mistress of the Labyrinth, his future seemed assured... Until he abandoned her for the unforgivable sin of bearing him only a daughter, and the world seemed to change. From that day forward, all the Labyrinths in the ancient world started to decay. It slowly became clear that power was fading from the city-states. Was it the natural decline that comes to all cultures or was it because the power of the Labyrinth had been corrupted by a woman spurned? A hundred years pass--Troy has fallen and the Trojans are a scattered and humbled people. The warrior Brutus is of the line of kings and gods. He wears the golden kingship bands of Troy proudly--but they are his only mementos of a former glory, for he is a man without a country and is left little else but pride and a memory of the latent power that he could wield if but given a chance. When he receives a god-sent vision of a distant shore where he can rebuild the ancient kingdom, he will move heaven and earth to reach his destiny. Ever eastward he is drawn, to a lovely and mystical green land that offers him a haven--and a dream of power and conquest. Nothing will deter him... not even the entreaties of the young princess whom he took as his wife and bedded against her will. First her hatred--and now her love--torment and bind him. She is the only one who realizes the danger he is stepping into, and she will do anything to save him... and his son, whom she carries in her womb. For in the mists of Albion there lies a woman of power--a woman who has used her siren call to cloud Brutus's mind and has her own reasons for luring the warrior to these lush shores.... She is the long-descended granddaughter of Adrienne, and she has in her heart a hatred that has been passed down for generations. Her plans for Brutus will enact a revenge that could destroy the gods themselves. s20lf Brutus makes the journey successfully, it will be the next step in the Game of the Labyrinth and might start a complicated contest of wills that could span centuries.... Sinner is the fourth book in Sara Douglass's The Wayfarer Redemption series, however it starts a brand new story arc and is the perfect place for new readers to enter this epic fantasy series. The land Tencendor has been united for more than forty years. The Starman Axis defeated the dreaded monster Gorgrael and by fulfilling his destiny he has brought peace finally to the three races of this land: the Icarii bird people, the Avar tree people, and the humans who for generations controlled (and oppressed) the other two races. Attaining god-like powers,

Axis chose to retire to the ethereal sphere in the heavens with his beautiful consort Azhure and ceded his authority to his son Caelum SunSoar. As Supreme Ruler of Tencendor, Caelum holds the reins of power carefully and the thousands of years of ill-will between the three races seems to be at an end. All seems golden for this land. Or so it might seem. But the path of the son is not necessarily that of the father. Caelum is untried and has known nothing but peace during his lifetime. And while the three races appear at peace, there are undercurrents of jealousy and bitter memories just buried beneath the surface. So when strange powers threaten to come through the Star Gate (a source of power that gives those with magic their near immortality) bent on the destruction of all he holds dear, Caelum will have to find the strength to fight this threat. Complicating this situation is the almost impossible death of his Icarri sister...and the culprit appears to be none other than his hated brother Drago, who as a baby had been in league with Gorgrael and had sufficient power to try to kill Caelum. As punishment Drago was made mortal (unlike his near invulnerable siblings). As Caelum struggles to hold all he holds dear safe, he is left with this quandary: Is Drago as powerless as he seems? Is his hate for his fate enough to have him murder? And is he in league with the demons that hover ever nearer? One of fantasy's finest next-generation storytellers continues to break new ground. Michael J. Sullivan's trailblazing career began with the breakout success of his Riyria series: full-bodied, spellbinding fantasy adventures whose imaginative scope and sympathetic characters won a devoted readership and comparisons to fantasy masters Brandon Sanderson, Scott Lynch, and J.R.R. Tolkien himself. Now Age of Myth inaugurates an original five-book series. Since time immemorial, humans have worshipped the gods they call Fhrey, truly a race apart: invincible in battle, masters of magic, and seemingly immortal. But when a god falls to a human blade, the balance of power between humans and those they thought were gods changes forever. Now only a few stand between humankind and annihilation: Raithe, reluctant to embrace his destiny as the God Killer; Suri, a young seer burdened by signs of impending doom; and Persephone, who must overcome personal tragedy to lead her people. The Age of Myth is over. The time of rebellion has begun. Magic, fantasy, and mythology collide in Michael J. Sullivan's Legends of the First Empire series: AGE OF MYTH • AGE OF SWORDS • AGE OF WAR
