communication skills they can use immediately in the workplace.

Essential grammar reference and practice for anyone using English in a business context. Grammar for Business is a must-have for intermediate business students and anyone using English in the workplace. It provides clear explanations and authentic practice of the most essential language used in business English. Designed to help you improve your communication skills in real business situations, it includes a unique focus on spoken as well as written grammar, and practical tips on areas such as organising presentations, negotiating and giving your opinion. Ideal for classroom use and self study.

A course which develops all-round competence in English.

A completely new guide to writing Latin from scratch, this user-friendly book includes key features such as: broad coverage - all the major grammatical constructions of the Latin language are covered, reinforcing what students have learnt from reading Latin; thorough accessible explanations - no previous experience of writing in Latin assumed; hundreds of examples - clear accurate illustrations of the constructions described, all with full translations; over six hundred practice sentences - graduated exercises leading students through three levels of difficulty from elementary to advanced level; introduction to Latin word order - a brief guide to some of the most important principles; and, longer passages for practising continuous prose composition - more challenging passages to stretch the most able students. It also includes features such as: commentaries on examples of Latin prose style - passages from great Latin prose writers focus attention on imitating real Latin usage; and, complete list of vocabulary - all the words needed for the exercises and a valuable reference for English-Latin work in general.

Venture into First for Schools is an international course preparing secondary students for the Cambridge English: First for Schools exam. The course prepares students for exam success from the outset with systematic skills development and scaffolded exam practice in every unit. Exam guides offer tips and hints for every task type, and students can prepare for the examination with the online practice test. Covering a huge range of topics, from The Simpsons to Shakespeare, the course encourages cultural insights and critical thinking and keeps students motivated to achieve success.
