Challenges to Democracy The survival of Indian democracy for well over half a century deprives the country's diversities, is in many ways a remarkable achievement. However, no one can deny that the country's contemporary socio-economic and political problems are complex. There are a number of serious challenges that need to be met in the years ahead.

Shruti Vandana

There is a growing fear that free speech is eroding in India, and the government ' s silence regarding direct attacks on freedom of expression suggests that the problem could worsen over time. Insurgency and counterinsurgency: Regional insurgencies continue to threaten the security situation in some parts of India. They include separatist movements in the northeast, Maoist rebels scattered across the central and eastern region, and militants in Indian-controlled Kashmir who seek independence ...

Challenges To Democracy In India

The major challenges facing democracy in India and Australia are in the more diffuse areas of substantive democracy, such as the protection of fundamental rights, which of course unavoidably spill into the electoral process.

A nation of 1.25 billion, India is the world's most diverse democracy. Drawing on his extensive fieldwork and experience of Indian politics, Sumantra Bose tells the story of democracy's evolution in India since

the 1950s and describes the challenges it faces today: from poverty and inequality to Maoist revolutionaries and Kashmir secessionists.

Lectures delivered between November 2005 and February 2007.

'[Democratic Governance in India] is a useful aid to understanding society and politics in contemporary India' - Democratization 'This book... should generate great interest among a large constituency of the students of democratic theory, public policy and institutional arrangements' - Subrata K Mitra, Journal of Commonwealth and Comparative Politics
Concentrating on the increase in

Get Free Challenges To Democracy In India

Indian assertions of identity and their political mobilization, and the economic reforms of 1991, this book looks at the actors in the governance process, and at policies and programmes of poverty reduction. It covers the politics of identity, the impact of the nation state by globalization and political identity, the role of 'identities' versus 'interests' in the course of development, the upsurge of caste-based identity; and the limitations of the Dalit movement.

Wilkinson.

‘ Indian Democracy ’ is an attempt to understand the development of democratic polity in India. It covers a wide range of issues – theoretical concepts, political institutions,

Get Free Challenges To Democracy In India

federalism, electoral process, individual and group rights and mass media – drawing attention to the significant broadening of Indian democracy.

This volume deliberates on various dimensions of the challenges confronting parliamentary democracy in India, and provides a platform for debates emanating from the depths of society, new critiques of the manner in which democracy has functioned, and the strengths and weaknesses of Indian democracy. It deals with the theory and practice of democratic governance, the role of the judiciary in strengthening the legislative and executive functions of the state, the role of the media as the fourth estate, the rise of social movements and civil society, the

Get Free Challenges To Democracy In India

critical role of economic development in sustaining democracy, and the role of democracy in containing ethnic conflicts. It also includes two essays on democracy at the grassroots analysing electoral behaviour and the gender perspective, and presents alternatives that have been offered by civil society activists, academicians, and researchers, who together form an intellectual comity.

This collection of essays on society and politics in India in the 1990s covers the relationship between the state and civil society, the effect of economic policies on people, the politics in cultural matters, and some contemporary themes in Indian politics.

Marie Brady, Alexander Cooley, Javier Corrales, Ron Deibert, Larry Diamond, Patrick Merloe, Abbas Milani, Andrew Nathan, Marc F. Plattner, Peter Pomerantsev, Douglas Rutzen, Lilia Shevtsova, Alex Vatanka, Christopher Walker, and Frederic Wehrey

This book examines the impact of globalization on some vital aspects of Indian politics, its structures and processes, and identifies the challenges to globalization itself, in order to highlight India ' s complex and fascinating story. In 1991, India officially embraced the policy of neo-liberal reforms by signing the GATT agreement, which exposed the country, its society, culture and institutions to the various forces of globalization. Globalization as such may not be new to India, for the

Get Free Challenges To Democracy In India

country has been embracing the influence of external cultures and civilisations for millennia, but the post-1991 reforms policy marked a significant shift, from a predominantly social welfare state and a command economy to a predominantly market driven one. Through a range of disciplinary perspectives, the authors analyse how India 's version of secularism, communal harmony, nationhood, the public sphere, social justice, and the rights of aboriginal communities came under attack from the forces of the new dispensation. The book goes on to show how globalisation in India has posed fresh challenges to political economy, democracy, federalism, decentralization, parliamentary system, judiciary, and the parliamentary Left. Critically
