Dr. John M. Frame is an American philosopher and a Calvinist theologian especially noted for his work in epistemology and presuppositional apologetics, systematic theology, and ethics.

A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years.

This book is an autobiographical memoir. It tells the story of how God prepared me for the work of theology during childhood and during my schooling at Princeton, Westminster, and Yale. It focuses on those events that shaped my theological convictions and led me to develop my distinctive emphases in theology, apologetics, and philosophy. It seeks to honor God's

providence in leading me from one point to another in my life as a son, husband, father, theologian, apologist, and churchman. My goal in the book is to show how one's theological convictions are products, not only of logic and reasoning, but also of the events of one's life and the people one interacts with.

Beginning students of theology and church leaders looking for a theological refresher or teaching tool will welcome this remarkably clear introduction to the doctrines of Scripture. In an almost conversational style, *Salvation Belongs to the Lord* explores all the major biblical truths, explains key terms of systematic theology, and reflects on their implications and connections under the lordship of Christ.

This succinct volume consists of three lectures examining the nature, media, and application of God's word. With the insight and care that have come to typify his writing, John M. Frame develops fresh applications of ideas set forth in his acclaimed work *The Doctrine of the Knowledge of God*. In addition, he offers a preview of (and invites feedback on) the central theses to be discussed in two forthcoming volumes in his *Theology of Lordship* series - *The Doctrine of the Word of God* and *The Doctrine of the Christian Life*. Those looking for a concise presentation of Frame's "triperspectival" approach will also find it here. Topics include:

LECTURE TWO: THE MEDIA OF THE WORD OF GOD
Diverse Kinds of Media
1. Event -Media
2. Word-Media
3. Person-Media
The Unity of the Word of God

Some Applications

The third volume of Frame's *Theology of Lordship* series, this book focuses on biblical ethics. In an age of ethical relativism and suspicion of authority, how can we know what is good, virtuous, or just? Frame surveys non-Christian ethical traditions before setting forth a solidly Christian ethical method. By clarifying biblical norms, life situations, and personal dimensions, he presents a model for decision making that honors God in all aspects of life. Discussions range from natural law and conflict of duties to detailed explorations of the Ten Commandments in connection with questions surrounding worship, the Sabbath, church and state, respect for life and truth, sexuality, and the relation of Christ to culture.

Frame explores our relationship with God as a knowing relationship. He writes, "We tend to forget how often in Scripture God performs His mighty acts so that men will 'know' that He is Lord." He thus examines our knowledge of God as it relates to our knowledge of ourselves and of the world in which we live. Reflecting his conviction that theology is the application of Scripture to life in all situations, Frame combines trenchant analysis of theological, apologetical, and epistemological issues with refreshingly practical insights for living in the knowledge of God. -- Publisher's description.

Readers familiar with Frame's analysis of historic doctrines and current questions will welcome this long-awaited second installment in the *Theology of Lordship* series. Here he examines the attributes, acts, and names of God in connection with a full spectrum of relevant theological, ethical, and spiritual issues.

John Frame gives us an accessible introduction to "triperspectival" study-where theological issues are fruitfully viewed from multiple perspectives without compromise to their unity and
