professionals. After listening carefully to instructors and students alike, and after having built on what we have learned over eight successful editions and more than 25 years of being the market leader, we are confident that the Ninth Edition is the best one yet! The integration of the new International Accounting Standards

and their comparison
with the new Private
Entity GAAP, enhances
the main goal of the
book “ to help students
understand, prepare and
use financial
information by linking
education with the ‘real-
world‘ accounting
environment”. Our
industry-experienced
and leading-edge author
expertise in the field of

IFRS, combined with an update of the text's technical content ensures that accounting faculty and students can continue to rely on Kieso, especially during a time of change. Even though the rapidly changing landscape of Canadian and international accounting is a focus of the text, the authors continue their

Get Free Kieso 15th Edition

emphasis on helping students understand the core concepts that are at the heart of the accounting profession.

The chapters are interesting, informative and pedagogically sound. Clear explanations of important issues, concepts, and business transactions are provided, followed by

examples of how these
are applied in practice.

Interesting examples
show how the resulting
numbers are used, and
how “real life”

Canadian companies
actually account for and
report their accounting
transactions and results.
