Magic Study (Study #2)(2) Maria V. Snyder. Irys had explained to me that magical powers were a gift, and only a handful of magicians came from each clan. Of course, the more magicians in a family, Irys had said, the greater chance of having more in the next generation. Mogkan took a risk kidnapping children so young; magical powers don't manifest until a child reaches maturity ...

About Maria V. Snyder Maria V. Snyder is the New York Times bestselling author of the Study series, the Glass series, the Healer series, Inside Out, and Outside In. Born and raised in Philadelphia, she earned a Bachelors of Science degree in Meteorology from Penn State and a Master of Arts degree in fiction writing from Seton Hill University.

Beyond Ixia, the roots of magic run deep. After the discovery of her magical abilities leads to an execution order, Yelena has no choice but to flee to Sitia, her long-lost birthplace. There, she has the chance to meet the family she never knew. But Sitia is unfamiliar, and she's treated with suspicion and even hatred by the people she thought she could trust — including her own brother. Then Yelena is given the chance to travel to Sitia's capital. In the Citadel, she'll have the chance to hone her magical abilities under the tutelage of master magicians. As she learns the laws of magic — Yelena also discovers those who will do anything to break them. And when a rogue magician who targets young female victims emerges, Yelena must put her life at risk to stop him. Will her newfound magic save Yelena — or will it be her downfall? You know your life is bad when you miss your days as a poison taster. With her greatest enemy dead, and on her way to be reunited with the family she'd been stolen from long ago, Yelena should be pleased. But though she has gained her freedom, she can't help feeling isolated in Sitia. Her Ixian background has changed her in many ways, and her newfound friends and relatives don't think it's for the better.

From New York Times Bestselling Author Maria V. Snyder Choose: a quick death — or slow poison — Locked deep in the palace dungeon for killing her abuser, Yelena knows she'll never be free again. The laws in Ixia are strict, and murderers must be executed, no matter the reason. But just as she's resigned herself to her fate, she's offered an extraordinary reprieve. As the food taster, Yelena will eat the best meals, have rooms in the palace — and risk assassination by anyone trying to kill the Commander of Ixia. To make matters worse, the chief of security deliberately feeds her Butterfly's Dust, and only by appearing for her daily antidote will she delay an agonizing death from the poison. As Yelena tries to escape her new dilemma, disasters keep mounting. Rebels plot to seize Ixia and Yelena develops magical powers she can't control. Her life is threatened again, and in order to survive, she must unravel the secrets behind the past she's been running from. From New York Times Bestselling Author Maria V. Snyder The apprenticeship is over — now the real test has begun. When word that Yelena is a Soulfinder — able to capture and release souls — spreads like wildfire, she faces mistrust and fear in Sitia. What's more, she keeps discovering new, unusual sides of her abilities. As the Council debates Yelena's fate, she receives a disturbing message: a plot is rising against her homeland, led by a murderous sorcerer she has defeated before. The road to Ixia is fraught with peril, and sets Yelena on a path that will test

the limits of her skills. But the hope of reuniting with her beloved spurs her onward. Along the way, she'll encounter allies, enemies, lovers and would-be assassins, each of questionable loyalty, and be forced to confront an impossible choice as whispers of war emerge. Yelena will have but one chance to prove herself—and save the lands she holds dear. Previously published. From New York Times Bestselling Author Maria V. Snyder Once, only her own life hung in the balance... When Yelena was a poison taster, her life was simpler. Now, she's become a vital part of the balance of power between rival countries Ixia and Sitia. Through wits and magic, she's able to keep the peace in both lands—and protect her relationship with Valek. But as old rivalries begin to emerge, Yelena discovers sinister plots that threaten to unravel the carefully won peace. Valek's job and his life are in danger. As Yelena tries to uncover the scope of these plots, she faces a new challenge: her magic is blocked. She must keep that a secret—or her enemies will discover just how vulnerable she really is—while searching for who or what is responsible for neutralizing her powers. Her days as a poison taster are long gone. But without her magic, Yelena must once again rely on wits and skill to survive— Previously published. The Chronicles of Ixia Series by Maria V. From New York Times bestselling author Maria V. Snyder Return to the realms of Sitia and Ixia, where a young glass magician becomes ensnared in a deadly power struggle that may cost her everything— Opal Cowan, glass magician-in-training, has discovered a terrifying and powerful new ability: she can steal the power of other magicians. And that makes her too dangerous to be set free. Ordered to house arrest by the Council, Opal defies them to search for Ulrick, the man she thinks she loves. But as she travels through the Moon Clan's lands, she begins to hear disturbing rumors that Ulrick's desire for blood magic has eclipsed any sense of reason—and perhaps even his passion for her. Deep in hostile territory, without proof or allies, Opal isn't sure whom to trust. And everywhere she turns, people want to control her powers for their own deadly gain. Opal must make the choices to secure her own future, even as the path she treads becomes more dangerous than she could have ever imagined. Previously Published. Continue the mystical story of the Healer trilogy by New York Times bestselling author Maria V. Snyder. As the last Healer in the Fifteen Realms, Avry of Kazan is in a unique position: in the minds of friends and foes alike, she no longer exists. Despite her need to prevent the megalomaniacal King Tohon from winning control of the Realms, Avry is also determined to find her sister and repair their estrangement. And she must do it alone, as Kerrick, her partner and sole confidant, returns to Alga to summon his country into battle. Though she should be in hiding, Avry will do whatever she can to support Tohon's opponents. Including infiltrating a holy army, evading magic sniffers, teaching forest skills to soldiers and figuring out how to stop Tohon's most horrible creations yet: an army of the walking dead—human and animal alike and nearly impossible to defeat. War is coming and Avry is alone. Unless she figures out how to do the impossible—again. Originally published in 2013

As Yelena searches for the person whose poisoned arrow stripped her of her magic, Valek finds his job and life in danger as he attempts to broker peace in Ixia.

Bestselling author Maria V. Snyder transports readers back to the realms of Sitia and Ixia in an exciting new Study novel full of magic, danger and intrigue.
