Manhattan Transfer A Novel | calendar.pridesource

Buy Study Guide. Manhattan Transfer is a seminal American novel, and yet it is not widely read. John Dos Passos is perennially overlooked in the literary canon in favor of his contemporaries Ernest Hemingway and F. Scott Fitzgerald. Dos Passos was friends with Hemingway and, for a time, a political compatriot; his writing, in turn, has much in common with Fitzgerald's exuberant prose, particularly in its treatment of color and smell and its focus on the surfaces of modern life -- the popular ...

The Manhattan Transfer - Wikipedia

Manhattan Transfer is one of the earliest of that type of novel which has come to be known as "collectivistic". The idea is to present a cross-section of the social structure, the social organism; an "over-view" of the subject in which the details of individual lives merge in the general picture of `society`.

"expressionistic picture of New York" (New York Times) in the 1920s that reveals the lives of wealthy power brokers and struggling immigrants alike. From Fourteenth Street to the Bowery, Delmonico's to the ...

A masterpiece of modernist fiction that creates a vividly impressionistic portrait of a teeming and multi-faceted New York City In a series of overlapping stories, John Dos Passos's Manhattan Transfer takes us from the Gilded Age to the Jazz Age in a narrative collage that brings the complexity of the urban environment to life. From Wall Street to the waterfront, from the Bowery to the Village, from the city's grand avenues to its gritty alleys, its wealthy power brokers and its struggling immigrants, this kaleidoscopic novel conveys the restless energy of life in Manhattan. The innovative novelistic techniques Dos Passos used, marked by flashbacks, stream of consciousness, and a cinematic perspective, would go on to inspire a new school of writing. Almost a century after it was written, Manhattan Transfer remains an indelible tribute to the contradictions of the American dream.

Manhattan Transfer is an American novel by John Dos Passos published in 1925. It focuses on the development of urban life in New York City from the Gilded Age to the Jazz Age as told through a series of overlapping individual stories. It is considered to be one of Dos Passos' most important works.

Demonstrates that the quest for immediacy, or experiences of direct connection and presence, has propelled the development of American literature and media culture.

Wikipedia: Three Soldiers is a 1921 novel by the American writer and critic John Dos Passos. It is one of the key American war novels of the First World War, and remains a classic of the realist war novel genre. The disillusionment John Dos Passos felt for the Great War forms the core of THREE SOLDIERS, which stands as a denunciation of the military and its exploitation of young men. The novel chronicles the wartime experiences of a trio of American privates from different backgrounds: Andrews, a gifted musician and Harvard graduate from New York; Fuselli, a store clerk who hopes to impress a girl back home in San Francisco; and Chrisfield, an easygoing farm boy from Indiana. Recognized as a masterpiece when first published more than seventy-five years ago, THREE SOLDIERS still stands as a testament to the dehumanizing effects of war.

Aliens kidnap Manhattan; read all about it. Manhattan is taken away and placed under a huge clear dome, through which the trapped residents can see dozens of similarly trapped alien cities. First published in 1993. Very much in the same spirit and scope as the 1996 film,

Increasing specialization within the discipline of English and American Studies has shifted the focus of scholarly discussion toward theoretical reflection and cultural contexts. These developments have benefitted the discipline in more ways than one, but they have also resulted in a certain neglect of close reading. As a result, students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s, much of which relies on dated methodological and ideological presuppositions. The handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate — from James's *The Ambassadors* to McCarthy's *The Road*. These readings do not revert naively to a time — before theory. — Instead, they distil the insights of literary and cultural theory into concise introductions to the historical background, the themes, the formal strategies, and the reception of influential literary texts, and they do so in a jargon-free language accessible to readers on all levels of qualification.

Includes the works that comprised the author's ground-breaking epic, written before his U.S.A. trilogy, featuring a kaleidoscopic portrait of New York City, the author's experiences as an ambulance driver in war-torn Paris, and the dehumanizing struggles of American servicemen in battle.

— It is not simply that [Dos Passos] has a keen eye for people, but that he has a keen eye for so many different kinds of people. — The New York Times Marking the end of — one of the most ambitious projects that an American novelist has ever undertaken — (Time), *The Big Money* brings us back to America after the Great War, a nation on the upswing. Industrialism booms. The stock market surges. Lindbergh takes his solo flight. Henry Ford makes automobiles. From New York to Hollywood, love affairs to business deals, it is a country taking the turns too fast, speeding toward the crash of 1929. Ultimately, whether the novels of John Dos Passos's classic USA Trilogy are read together or separately, they paint a sweeping portrait of collective America — and showcase the brilliance and bravery of one of its most enduring and admired writers. *The Big Money*, focusing on a passionate pilot whose compromises culminate in despair and an actress led astray by her ambitions, completes this — fable of America's materialistic success and moral decline — (American Heritage).
