As of June 1997, there were more than 700 general purpose State and local law enforcement agencies with 100 or more full-time sworn personnel that included 50 or more uniformed officers responding to calls for service. These larger agencies collectively employed about 381,000 full-time sworn personnel, including about 226,000 officers assigned to respond to calls for service. Nearly all of these agencies provided data in response to this survey. Includes sections showing data on personnel, expenditures and pay, operations and

equipment, computers and information systems, and policies and programs. Hundreds of statistical tables.

It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: library science; library practices and procedures; written communication; effective workplace communication; and more.

Annual finance and employment comparisons of local taxing authorities

Finally, here is an in-depth analysis of the most important factors surrounding the Laci Peterson murder case. Brad Knight discusses with candid frankness and sharp clarity the deadly love triangle of Laci, Scott and Amber, as well as many of the pivotal issues that were brought into the original investigation. Since then, much of this key evidence has been overlooked by the general media. In Laci Peterson The Whole Story, learn answers to questions that you would never have thought to ask, but will wish you had. The author, intriguingly, lays out and compares several powerful new theories that the trial lawyers could have effectively worked to their advantage. Inside you will find the best legal, analytical, investigative, and most of all-descriptive literary work available until now on the subject; all put into a wholesome, down-to-earth, and common sense perspective. Knight presents: Rare interviews with primary but discreet participants. The reason why prosecutors should've called Cory Carroll as a witness. His own more powerful version of prosecution and defense closing arguments. Plus a whole roller coaster ride of fascinating incidents throughout the case.
