Chemistry A Novel Textbook Volume

The first of a two-volume textbook for college General Chemistry students, this book takes a "novel" approach on two fronts. It's written and formatted in a way that encourages it be read just like any other book, while also eschewing many of the traditional tropes of traditional chemistry textbooks.

Chemistry: A Novel (Textbook) - Volume 2, Matthews, R

...

A two-volume textbook for college General Chemistry students, this book takes a "novel" approach on two fronts. It's written and formatted in a way that encourages it be read just like any other book, while also eschewing many of the traditional tropes of traditional chemistry textbooks. Figures, graphs and tables are embedded within the text itself, usually without labels or captions, in an attempt to keep the "narrative flow" going.

Chemistry: A Novel (Textbook) — R. Mark Matthews

The first of a two-volume textbook for college General Chemistry students, this book takes a "novel" approach on two fronts. It's written and formatted in a way that encourages it be read just like any other book, while also eschewing many of the traditional tropes of traditional chemistry textbooks.

Chemistry: A Novel (Textbook) - Volume 2

This is the worst chemistry book ever. I've been tremendously unfortunate to have been forced to suffer through an entire semester with it. It has nearly zero examples of solutions to equations (the most vital element of a good textbook), only "teaches" on maybe 1/5 of potential equations one might encounter in each section, and contains limited practice questions that don't even give solution ...

'Chemistry: A Novel' Is About A Scientist Whose Plans Get

...

The traditional approach to teaching Organic Chemistry, taken by most of the textbooks that are currently available, is to focus primarily on the reactions of laboratory synthesis, with much less discussion - in the central chapters, at least - of biological molecules and reactions. This is despite the fact that, in many classrooms, a majority of students are majoring in Biology or Health ...
