The State Survey Agency and CMS Regional Office will continue to be responsible for approving an HHA's application for a branch office, in accordance with current CMS guidance as set out in various survey and certification letters and section 2182.4B of the State Operations Manual.

### **Federal Register :: Medicare and Medicaid Program ...**

Last month we began to review the guidelines, which were published by CMS in 2013. As we discussed, CMS provides the interpretive guidelines as a resource for case managers and discharge planners but also states that providers are not bound to them. So, as case managers, we should think of them as informational only.
