In How to Architect, Patt—an architect and the creator of a series of wildly popular online videos about architecture—presents the basics of architecture in A-Z form, starting with "A is for Asymmetry" (as seen in Chartres Cathedral and Frank Gehry), detouring through "N is for Narrative," and ending with "Z is for Zeal" (a quality that successful architects tend to have, even in fiction—see T he Fountainhead's architect-hero Howard Roark.)

How to Architect | The MIT Press

In How to Architect and the creator of a series of wildly popular online videos about architecture—presents the basics of architecture in A-Z form, starting with "A is for Asymmetry" (as seen in Chartres Cathedral and Frank Gehry), detouring through "N is for Narrative," and ending with "Z is for Zeal" (a quality that successful architects tend to have, even in fiction—see The Fountainhead's architect-hero Howard Roark.)

How to Architect | Bookshare

Doug Patt's advice for aspiring architects: You learn about design in school, but once you begin your career as an architect, design has very little to do with the entire job. As a student, try to get work in an office or participate in a work-study program to get a sense of what real-life work is like and what architecture school can teach ...
