## **Mack Engine Inframe & Overhaul Kit**

Personally I have a 1995 CH with the E7-400 with a V-MAC pump on it and it's coming up on a million miles and hasn't had a major overhaul done on it. The problem with the 93 to 97 E7's is that they had weak oil pumps and ran low oil pressure so if you bought a truck within that year range I would recommend replacing the oil pump and doing rods ...
