Mahayana. In Mahayana Buddhism, the Middle Way refers to the insight into śūnyatā "emptiness" that transcends the extremes of existence and non-existence, the two truths doctrine. According to Kalupahana, Two aspects of the Buddha's teachings, the philosophical and the practical, which are mutually dependent, are clearly enunciated in two discourses, the Kaccāyanagotta-sutta and the ...

Middle Way - Wikipedia

The crucial elements of the Middle Way are present in the methods by which the Buddha gradually discovered it. His home context in the palace was dominated both by the experience of pleasure, and by the belief in conventional views that avoided any path to a more objective morality.
